

Adventure Plus - Mobile Climbing Wall

Information Sheet

Thank you for your inquiry regarding **Adventure Plus** providing climbing activities for your group on the **Mobile Climbing Wall**.

Adventure Plus is able to deliver the wall, either as a 'stand-alone' activity, for instance at school events, fetes or other community events etc; or as one of a range of activities in our more usual Group or Schools part-day, full-day or multi-day booking programmes.

Prices are:

- As a stand-alone booking:
 - £195 per/hr with a minimum booking of 2 hours
 - This price assumes that the group booking the wall will provide a volunteer to assist with registration of climbers. Should the group be unable to do this, an additional £75.00 will be charged to cover the time of an additional instructor.
- As part of a Group Booking (ie together with other Activities provided by **Adventure Plus**):
 - £390 per 3 hours per 10 participants (ie 3 hours for the price of 2)
(We could split sessions to allow 2 or possibly more groups of 10 to share the period).
- We may apply other surcharges for the following reasons:
 - For travelling distances further than 20 miles from our base
 - For travelling at peak traffic periods
 - If additional climbing time is required
 - Sunday bookings are subject to a 25% surcharge
- We also run an Early Bookings Discount scheme. If *full payment* is received:
 - 12 weeks before your event, there will be a 15% reduction in your bill
 - 8 weeks - 10%
 - 4 weeks - 5%

Other items:

- Our standard booking terms include:
 - A 20% deposit to confirm the booking
 - The balance to be payable 12 weeks before the event to take into account Early Bookings Discount.
- Site Requirements include:
 - Safe access for a towing vehicle and 2-ton trailer combination (the trailer height is approximately 10 feet and width of 2 metres)
 - A level and secure surface
 - Adequate surrounding area – the preferred minimum is 30 x 30 feet
 - No overhead obstructions – the tower is approximately 30 feet high when extended
 - Opportunity for **Adventure Plus** to risk-assess proposed venues (if requested)
 - At least a one hour window either side of the climbing time to set up and pack down the wall. Vehicle access will be required during this time.
- For 'Open Events' (fêtes, school & community bookings etc.)
 - **Adventure Plus** will require you to provide your own Registration procedures, including:
 - ensuring that every participant has a completed and signed Consent Form (in the format provided by **Adventure Plus**)
 - managing queues and/or tickets, or whichever other control procedure you choose
 - collecting payments from participants (if you decide to do this).
