Ski A+ is our ski week for adults.

Come and experience some of the best skiing in Switzerland in the awesome Jungfrau Region, with the north face of the Eiger as our backdrop!

We run Ski A+ in conjunction with Gold Hill Holidays, who provide skiing tuition for accomplished skiers looking for a few tips and a friendly guide around the many pistes, or a fun beginners' class. Whatever your level of skill they have the lessons for you!

After a day on the slopes come back to

our cosy Alpine chalet to relax with a cuppa and homemade cakes.

Then after a warming home cooked dinner we can sit back and enjoy the evening with A+ entertainment, including tales (and photos!) from our day on the mountain and the (nearly!) World Famous 'Wipe out of the Day', followed by a talk from a very special guest speaker - this year the Rev Alan Jenkins, former A+ Trustee, PGL canoe loader and Rector of St Nicolas Church in Great Bookham.

It's set to be a fantastic week...

'We look forward to skiing with you!'
