Kit List Notes

Please arrive between 2:00 and 2:15 p.m. on Tuesday 26 October 2027.

The accommodation is in our Timber Yurts (indoor camping). There are no lockers or plugs in the cabins, which is why we request no phones or expensive items.

Adventure Plus cannot take responsibility for any loss or damage to items you bring, including electronic items and musical instruments. These remain your responsibility.

Pack belongings in one large hold-all or suitcase, and avoid having many separate plastic bags.

Illness: to protect others, team members and campers should stay away if unwell within 24 hours of arrival.

Medication: bring it in its original packaging with the use-by date and pharmacy label. Don't cut tablets from the main pack. Hand in all medication on arrival; the first-aider will look after it. If a camper must carry medication at all times, bring a note from their doctor. A blue inhaler (even if used rarely) should always be kept with the camper.

Contact: A+ Offices on 01993 703 308 (Monday to Friday, 09:00 to 17:00). Staff mobile 07845 167682 (all other times). Questions: ta@adventureplus.uk.

All Adventure Plus holidays are smoke/vape, alcohol and drug free. Campers found with any of these will be asked to leave.
